Wiedenmann UK increases product range and number of dealers in time for Saltex

Wiedenmann UK, exhibiting at stand V26 at IOG Saltex, brings FOUR new machines to the show.

The first being introduced is the Terra Spike GXi8 - a fast deep aerator. With a working width of 1.8m the GXi8 is 40cm wider than its sister machine the Gxi6. It can cover a remarkable 5800m²/hour* and with its unparalleled combination of effective working depth and speed will revolutionise aeration of fine turf and sports fields.

The other machines are the Terra Float, the Terra Slit and Terra Seed. This new family of machines replaces the Terra Combi series and is aimed at the whole professional groundcare market.

As well as appointing regional sales manager, Paul McIldoon, to cover Ireland and Wales, Wiedenmann UK has expanded its dealer network. New to their listing is Mid West Mowers of Glassan, Athlone, County Westmeath covering western Ireland and Balmers GM who look after Lancashire and North Manchester.
